FROM: DRF -

SUBJECT: Use of Transliteration Handbook (HB 50-150-1, January 1954)

Do we use the tables incorporated in the attached Transliteration Handbook? If not, why not? Are we interested in furthering CIA/FDD's efforts to encourage the use of standard transliteration schemes through-
out the IAC? What problems obstruct such efforts? What alternatives, if any, would we propose?

FOIAB3B

I would like to forward your answers to CIA/FDD,
Could you please find time to draft me a statement or phone me your views by Friday, October 21? Thank you.
